

Rev. Fr. Secretary's Message

I deem it a privilege to pronounce the foreword about this esteemed institution St. Joseph's College of Arts and Science (Autonomous). As I stand as Secretary of the College, I express my deep sense of gratitude to the Arch-Bishop, (Arch Diocese of Pondicherry and Cuddalore) the Chairman of the College and the Governing Body Members who constitute the Management, who have cherished their dreams come true at St. Joseph's College. I am also grateful to the Staff, both Teaching and the Non-teaching and the Parents for their support in elevating this institution to the pinnacle of glory. I would like to record with thankfulness the strenuous efforts taken by the Former Secretaries which have left fruitful results in the current year as our College is graded 'A' by the NAAC Peer team. Thanks to the efforts of the Missionaries who have laid the Foundation Stone for this marvelous institute which has been serving the cause of Education, especially for the poor and the marginalized. I take pride in mentioning that our College is well placed at the heart of the District and is easily accessible to Students far and wide. The College caters through 19 different Disciplines (Departments) out of which many have been upgraded as PG and Research Departments. The College functions in two Shifts, I & II, for Boys and Girls respectively at the UG level. The Institution always excels in its infrastructure-an exclusive Administrative Block, the Controller of Examinations Section, Seminar Halls, Spacious Class Rooms, well-equipped labs, Instrumentation Centre (Common Science Lab), Canteen and hygienic rest rooms. Bus facility is offered for conveyance.

At this juncture, I am pleased to mention that the Divine Providence has made the Archdiocese of Pondicherry-Cuddalore instrumental in the foundation of many Educational Institutions in some of the educationally backward rural areas in and around the Cuddalore, Villupuram Districts, Pondicherry and Karaikal regions.

As Educators, we are ever bound to prepare Young Josephites to get equipped both academically and technically and pass out of our portals as worthy men and women. The Josephites hail as torch-bearers of Knowledge to steer the Nation along the path of progress.

We stand by our motto, "Labour Omnia Vincit" which implies "Hardwork conquers all".
