F.No. AICTE/ P&AP-NCSAM/2024

To

**The Vice Chancellors of Technical Universities and  
The Directors/Principals of AICTE Approved Institutions**

**Subject: Support for National Cyber Security Awareness Month (NCSAM) - October 2024**

Respected Madam/Sir,

*Greetings from AICTE!*

We are pleased to inform you that the month of October is being observed globally and in India as **National Cyber Security Awareness Month (NCSAM)**. The aim of this initiative is to increase cyber security awareness among the public and private sectors, and the citizens of our country. This, in turn, will enhance the overall cyber resilience of our nation. This year's campaign theme is "**Cyber Surakshit Bharat**" (#SatarkNagrik). It emphasizes that while cybersecurity involves a whole-of-nation approach, it ultimately revolves around people. This October, we aim to make the country cyber secure through the alertness of our people.

We are writing to seek your valuable support and active participation in the National Cyber Security Awareness Month to emphasize the role of every citizen in maintaining a secure digital environment.

As leaders in Technical Education, your Institutions play a crucial role in shaping the future of our nation's Cybersecurity landscape. We kindly request your cooperation in utilizing all possible means to raise awareness about cybersecurity among your students, faculty, and the broader community.

This campaign will promote basic awareness to stay safe online by supporting and enhancing the alertness of citizens towards cybersecurity. Let's bring NCSAM 2024 to the forefront during this October. Please plan and conduct your activities and hashtag (#SatarkNagrik) on your social media platforms. Your active participation will significantly contribute to creating a more cyber-aware and secure India.

Thank you for your cooperation and commitment to this important cause.

Warm regards,

Yours sincerely,

(M.G. Vamsi Krishna)
