Why Choose St. Joseph's

INSPIRE - ENCOURAGE - GUIDE

MULTIPLE ACADEMIC PROGRAMMES

A number of academic programmes are offered in Science, Humanities and Commerce promoting an interdisciplinary environment

FACULTY AND INFRASTRUCTURE

Committed faculty and excellent infrastructure facilities

SCHOLARSHIPS

Financial support to economically poor and sports students

DISCIPLINE & QUALITY EDUCATION

Provides student - centric value driven education that gives equal importance to character formation and skill development

WIFI & ICT TEACHING / LEARNING

WIFI enabled campus, ICT enabled Teaching and Experiential Learning through Internships and Industrial Visits

EXTENSION ACTIVITIES

Inculcating social responsibility through student clubs and extension activities

TRAINING & PLACEMENT

A good record of placement through on-campus / off campus recruitment drives

MANAGEMENT TEAM

Most Rev. Dr. FRANCIS KALIST,
Archbishop of Pondicherry - Cuddalore
Chairperson

Rev. Fr. Dr. M. SWAMINATHAN,

Dr. P. JAMES MARY,
M.A., M.Com., SLET., Ph.D.
Vice-Principal
(Students' Discipline, Shift-II)

The Heads of the Departments

The College

St. Joseph's College is a legacy of the 19th century, handed down to the present management by the venerable Fathers of the Society of the Foreign Mission of Paris. Its nucleus was the St. Joseph's High School which was started in 1868 A.D. with a clear commitment to impart quality education rooted in values and intellectual formation. Recognising the growing educational needs of the region, the school was elevated into a college in 1884 A.D. through the efforts of Father Tarbes and was affiliated to the University of Madras marking an important milestone. The District-Gazetteer, South Arcot District has recorded that the prime educational institution and the only college in the District in the 19th century was St. Joseph's College. However, due to financial constraints, the college section had to be closed in 1909. While this marked the end of its formal existence as a college at that time, the foundational vision of holistic education remained alive. The High School continued to function, preserving its original educational mission. Over the decades, it flourished and grew in strength, eventually evolving into a government-aided Higher Secondary School in 1979.

The college was reborn as St. Joseph's College of Arts and Science in 1991. It represents not merely a new beginning, but a revival and an organic continuation of its historical predecessor, embodying a shared legacy, mission, and commitment to holistic education. The college was formally inaugurated on 11th October 1991 at a stately function presided over by His Excellency Bhisma Narain Singh, the then Governor of Tamil Nadu. The college campus is spread across an area of 20 acres.

The college obtained Permanent Affiliation on 07.03.2008 and the Autonomous Status on 17.06.2008. The college has been re-accredited with 'A' Grade (IV Cycle) by NAAC. The college has been conferred the Minority Status by NCMEI, New Delhi and has been recognised under sections of 2(f) and 12(B) of UGC Act 1956.

The Management

The College is run by the Archdiocese of Pondicherry and Cuddalore under the guidance of the Archbishop Most Rev. Dr. Francis Kalist. The Archdiocese has been rendering its services in the fields of education, health and other social welfare activities for more than two centuries.

St. Joseph's College of Arts & Science (Autonomous) has its own Governing Body with the Archbishop as its Chairperson. Under the leadership of the present Secretary of the College, Rev. Fr. Dr. M. Swaminathan and the team comprising Dr. M. Arumai selvam, Principal, Dr. J. Jon Arockiaraj, Senior Vice-Principal, Rev. Fr. Dr. A. Alex, Dean of Studies, Rev. Fr. Dr. S. Charles Edison, Associate Dean of Studies, Director of Sports & Media, Rev. Fr. Dr. G. Maria Anandaraj, Alumni Coordinator and Spiritual Animator, Dr. P. Marie Arockianathan, Vice-Principal (Students' Welfare, Shift-I) Dr. R. Vidya, Vice-Principal (Students' Welfare, Shift-II), and Dr. P. James Mary, Vice-Principal (Students' Discipline, Shift-II), our institution is marching towards excellence.

Quality Policy

To provide quality education through curriculum on par with that of reputed institutions of higher education, innovative teaching, competent and qualified Faculty, supportive systems and by processes of on-going evaluation and continuous transformation leading to holistic development of the student community.

Vision

We are committed to prepare

- ★ men and women, academically and technically equipped to work for the nation building along the path of progress and peace.
- ★ men and women, who as responsible citizens will uphold justice, respect for diversity and contribute for an inclusive and harmonious society.

Mission

Striving Hard to Provide

- ★ Wholesome and Integral Education that will help the students find their footings in life.
- ★ Ethical and Social Values that will help the students to confidently face the challenges of life.
- ★ Human and Social values that will help the students in building up the solidarity of all Indians.

NCC

Students participated in the Republic Day Parade held at Chennai on 26.01.2026.

Lab Facilities

INFRASTRUCTURE

Library

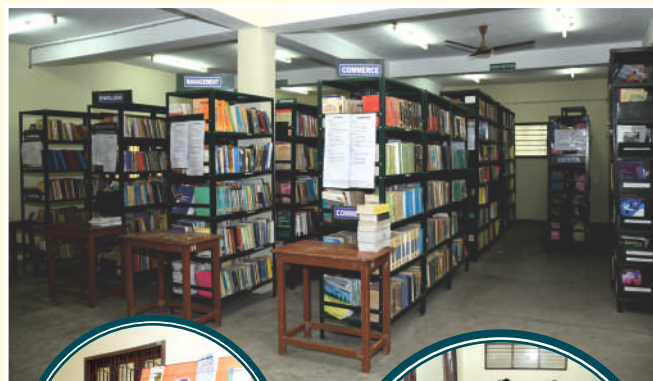

The college is equipped with a fully computerized library, functioning on the basis of an 'open access' system. It houses over thirty thousand books and subscribes to National and International journals / periodicals and popular newspapers. Students are provided computers with internet connectivity and access to e-journals. Besides the college library, students are offered the facility of Departmental Libraries.

Infrastructure

The college has excellent laboratory infrastructure to support learning and research. We have state-of-the-art equipments that are used for regular teaching as well as for projects by students and teachers. They are sufficient in number to ensure that each student gets hands-on learning experience in the laboratories.

Research Development Cell

To promote research in the college, a Research Development Cell has been established. Research contributes content to teaching. Any quality teaching leads to quality research. Keeping this in mind, St. Joseph's engages its faculty in sound research by providing infrastructure and other supporting services.

Bio Lab

Computer Lab

Curriculum

As an autonomous college, St. Joseph's College follows the semester pattern with Choice Based Credit System (CBCS) requiring 3 years of study for an undergraduate degree programme and 2 years of study for a postgraduate programme in Arts and Science. The medium of instruction and examination is English. Broad, balanced and relevant curriculum provides opportunities to acquire the necessary skills and qualifications to succeed in the global marketplace. Paramount importance is given to developing the core skills of Literacy and Numeracy alongside a blend of traditionally academic, vocational, creative and technical learning options.

Research Programmes

Our institution offers both full-time and part-time Ph.D. programmes across various disciplines, guided by highly qualified and experienced research supervisors committed to academic excellence.

We provide a vibrant research environment supported by well-equipped laboratories, modern infrastructure, and advanced research facilities that enable scholars to pursue innovative and impactful research.

The Office of the Dean of Studies plays a pivotal role in nurturing research excellence by continuously monitoring and guiding research scholars. Special emphasis is placed on publishing high-quality research papers in reputed national and international journals.

Furthermore, the Dean of Studies serves as a vital link between the University and the Research scholars cum Research Supervisors, ensuring smooth coordination, academic compliance, and effective communication throughout the research journey.

Teaching

We believe that teaching and learning experiences should be stimulating, enjoyable and innovative. A wide variety of teaching strategies are used to personalise learning to ensure students fully access the curriculum. These encourage creative, independent approaches to learning, allowing our students to excel.

Our range of extended learning opportunities such as after college study support and mentoring system, plus excellent ICT facilities, provide students with the resources to enhance their learning and meet their expectations.

We believe that all learners are entitled to suitable and challenging learning experiences regardless of their abilities and needs.

Aspire & Achieve – A Mentoring Professional System

Under this system, each student is assigned a faculty mentor who will regularly interact, provide emotional support, monitor progress, and help address challenges during their course. This initiative aims to strengthen faculty–student relationships and support overall development. Mentors will be assigned in addition to the Class Teacher. While the Class Teacher focuses on academics, the mentor will offer individual guidance and support beyond academics.

IDOC – A New Instructional Method (Instructional Development and Oversight Committee)

The College has launched an innovative curriculum development initiative that integrates modern ICT-enabled instructional strategies into teaching and learning. It focuses on Student engagement and self–directed learning.

Integral Development

We insist on high standards of behavioural values to foster a sense of responsibility and self-discipline in our students. We instil the key values of human dignity, solidarity, peace and respect, which are constant themes of assemblies and our Spiritual, Moral, Social and Cultural development programmes.

Shift II offers 13 UG Programmes exclusively for Girls

Shift I offers 15 UG Programmes exclusively for Boys

STUDENT SUPPORT SERVICES (SLP – Service Learning Programmes)

Service Learning Programmes (SLP)

St. Joseph's has many social service clubs such as National Service Scheme, Rotaract Club, National Cadet Corps, Youth Red Cross, Rover Crew, Social Service Club, Citizen Consumer Club, Red Ribbon Club, Women's Empowerment Cell, The Health Club, Enviro Club, Fine Arts Club and Village Service Learning Programme to inculcate in them values of social justice and promote community development.

Sports Activities

A variety of sports and games on campus provides a wide scope of opportunities for the students who excel in sports.

The college has excellent facilities for sports and games, such as, Basketball, Football, Table-Tennis and other indoor games.

St. Joseph's has produced number of International, National and State Level players.

The Fine Arts Association

The Fine Arts Association conducts both intra- and inter-college competitions such as classical, western and folk dance, music, choreography, dramatics, creative writing, photography, painting and rangoli. It also organizes the inter-college annual festival 'Zephyr' every year.

Scholarships and Fee Concession

For the students who belong to the Scheduled Castes / Scheduled Tribes and Minority communities, scholarships are facilitated as per Central / State Government Schemes.

Fee Concession is granted under different categories (Free Education / Half Concession / Random Concession / Sports) to the students who are economically poor / excelling in academics and also excelling in sports.

Students, who wish to avail scholarship and fee concession should apply for the same through the necessary application forms available in the college office.

Hostel for Men and Women

The institution provides hostel facility for boys with spacious rooms and a conducive atmosphere for study. Facilities for indoor and outdoor games are also available. A separate hostel for girls is made available within a walkable distance from the college, which is run by the Sisters of Don Guanella.

Canteen

St. Joseph's Cafe, the college's cafe is located on campus, adjacent to the Maithri Bhavan (Guest House). It offers a variety of snacks and dishes.

Photocopying

Photocopying on payment is conveniently available in the college premises.

International Women's Day Celebration

Placement Cell

The Placement Cell provides a strong corporate interface for students, facilitating career opportunities through training, workshops, and industry interaction. It offers guidance in resume building, interview skills, and career planning. Over 2,000 students benefit annually from free online certification programs by leading global organizations such as Microsoft, Google, Adobe, UNICEF, NASSCOM Foundation, and IBM SkillsBuild. In collaboration with MSME Technology Centre, the college also provides technical skill training. Top recruiters including Infosys, Wipro, HCL, and TCS regularly hire our students. The institution is committed to achieving 100% placement, ensuring successful career outcomes.

Women Empowerment Cell

The WEC in St. Joseph's has actively provided counseling to students to make them aware of their own capabilities and potential while sensitizing them to various issues of society, especially gender issues. The centre empowers women by helping them develop their skills by building confidence and honouring their latent leadership qualities. This is done through a series of seminars, debates, lectures, workshops, film screening, theater and self-defense training camps.

Alumni Association

The purpose of this association is to bring together various alumni on a common platform. It has a formal structure with elected office bearers. Alumni meetings have emerged as a warm interactive ground for former students, their families and the faculty

Work Hard - Taste Success

At St. Joseph's, we expect students to work hard and be committed to learning. We demand high standards of behaviour that allow effective teaching and learning to take place.

Our aim is for everyone to have the opportunity to experience success. We have high expectations of the standards that students achieve and the quality of work they produce.

Discipline

St. Joseph's has a reputation of being one of the best disciplined colleges in Tamil Nadu. While being an eminently 'learning place' to study in, our students observe the code of good conduct quite happily and readily. The Disciplinary Committee is empowered to deal with cases of indiscipline. The Secretary / Principal of the College is the ultimate authority to take action against any breach of discipline.

கல்லூரியில் அமைந்துள்ள 10 சிறப்பம்சங்கள்

- 1 மேம்படுத்தப்பட்ட கட்டமைப்பு, பசுமையான சுற்றுச்சூழல்.
- 2 உலகத்தரம் வாய்ந்த ஆராய்ச்சி ஆய்வகங்கள்.
- 3 தகுதியும் திறமையும் மற்றும் அனுபவமிக்க பேராசிரியர்கள்.
- 4 சிறந்த விளையாட்டு மைதானம் மற்றும் உள் விளையாட்டு அரங்கம்.
- 5 படிக்கும் போதே தொழில் தொடங்கப் பயிற்சி.
- 6 ஏராளமான வேலைவாய்ப்புகள்.
- 7 தொழில் முறைப் பயிற்சி (Field Study, Internship & Project)
- 8 உயர்கல்வி வழிகாட்டுதல், பல கூடுதல் வகுப்புகள், படிப்புகள் மற்றும் பயிற்சிகள்.
- 9 மாணவ மற்றும் மாணவியர்களுக்கு தனித்தனி விடுதிகள்.
- 10 கல்லூரிப் பேருந்து வசதி.

DEPARTMENT SPECIFICATIONS

PG & Research Department of Mathematics

Key Features

- ☞ Highly qualified and experienced faculty.
- ☞ Faculty actively engaged in research.
- ☞ Advanced Curriculum with C, MATLAB, Java.
- ☞ Revised syllabus on par with TANSCH and UGC.
- ☞ Students are placed in TCS, MRF, HCL, CTS, Accenture and Leading Companies.
- ☞ Future focused courses are provided.
- ☞ Active participation in Fine Arts, Extracurricular activities and Extension activities.
- ☞ Scholarships and Special concessions are available.

Career Opportunities

- ☑ Data Analyst / Data Scientist
- ☑ Banking & Financial Services
- ☑ Actuary
- ☑ Teaching /Academics
- ☑ Statistical Officer/ Government Jobs
- ☑ Cryptographer/Cyber security Analyst
- ☑ Market Research Analyst

Programmes Offered

B.Sc. Mathematics
M.Sc. Mathematics
Ph.D. Mathematics

PG & Research Department of Physics

Key Features

- ☞ Advanced learning Ecosystem.
- ☞ Exceptional Faculty.
- ☞ Modern Laboratories with state of the art instruments.
- ☞ ICT Enabled Classrooms for hybrid and immersive learning.
- ☞ Innovative Pedagogies.
- ☞ Cutting-edge research.
- ☞ Research Incubation cultivating student-faculty projects.
- ☞ Funded projects: Backed by TNSCST and internal seed grants.
- ☞ Global collaborations & MoUs.

Programmes Offered

B.Sc. Physics
M.Sc. Physics
Ph.D. Physics

Career Opportunities

- ☑ Research Scientist
- ☑ Data Scientist
- ☑ Medical Physicist
- ☑ Astronomer
- ☑ Aerospace Engineer
- ☑ Geophysicist
- ☑ Optical Engineer
- ☑ Lab Manager
- ☑ Test Engineer
- ☑ Professor

PG & Research Department of Chemistry

Key Features

- ☞ Highly qualified and experienced Professors.
- ☞ Spacious class rooms.
- ☞ Research laboratory available for students to work for their projects and research works with all facilities.
- ☞ Laboratory with all facilities to execute regular practicals.
- ☞ Advanced spectroscopic (IR, UV) and chromatography instruments are available (HPLC, GC)
- ☞ Enormous alumni support in Career Guidance and Placement.

Career Opportunities

- ☑ Chemist/ Lab Assistant
- ☑ Pharmaceutical Industry
- ☑ Research Scientist
- ☑ Forensic Chemist
- ☑ Cosmetics & Personal Care Industry
- ☑ Food & Beverage Industry
- ☑ Environmental Chemist

Programmes Offered

B.Sc. Chemistry
M.Sc. Chemistry
Ph.D. Chemistry

PG & Research Department of Computer Science & Artificial Intelligence

Key Features

- ☞ Crafting Futures with Expert Mentorship.
- ☞ Well-equipped labs and good infrastructure.
- ☞ Advanced Curriculum and Industry relevant syllabus.
- ☞ Industry Collaboration - MoUs with leading tech companies for internships and projects.
- ☞ Placement & Career Guidance Support.
- ☞ E-Learning & SWAYAM Certificate Courses.

Career Opportunities

- ☑ Machine Learning Engineer
- ☑ Data Scientist/ Data Analyst
- ☑ AI Research Scientist
- ☑ Software Developer
- ☑ Web Developer
- ☑ Robotic Engineer
- ☑ NLP Engineer
- ☑ AI & ML
- ☑ Cyber Security Analyst

Programmes Offered

B.Sc. Computer science
B.Sc. Artificial Intelligence
M.Sc. Computer Science
Ph.D. Computer Science

PG Department of Computer Applications

Key Features

- ☞ ECHO-Remedial class for Slow Learners.
- ☞ You deserve it-A Programme which supports deserving students financially.
- ☞ TCS-AA Programme-Training and Placement for under privilege students.
- ☞ Earn while you Learn-Real time Projects Exposure.
- ☞ Memorandum of Understanding with the companies like AARAA Private limited, Victory eservices Pvt. Limited and Scode software Solutions.
- ☞ Students are placed in top IT companies like TCS, Zoho, Infosys, Wipro, Accenture, Cognizant and more.

Career Opportunities

- ☑ Software Developer
- ☑ Web Developer
- ☑ UI / UX Designer
- ☑ System Administrator / IT Support
- ☑ Database Administrator
- ☑ Cybersecurity Analyst
- ☑ Data Analyst/Data Scientist

Programmes Offered

B.C.A.
M.Sc. Information Technology

PG & Research Department of Microbiology

Key Features

- ☞ Research active and experienced faculties.
- ☞ Educational programmes and strong practical components.
- ☞ Well Sophisticated separate Laboratories for UG, PG & Research.
- ☞ Research Oriented Curriculum.
- ☞ Skill Oriented Certificate course.

Career Opportunities

- ☑ Pharmaceuticals industry
- ☑ Beverage industry
- ☑ Diagnostic research Center
- ☑ Pollution Control Board
- ☑ Toxicology institute
- ☑ Food industry
- ☑ Bio fertilizer industry
- ☑ Public health department
- ☑ Vaccine production
- ☑ Forensic science department
- ☑ Dairy industries

Programmes Offered

B.Sc. Microbiology
M.Sc. Microbiology
Ph.D. Microbiology

PG & Research Department of Biochemistry

Key Features

- ☞ Hands-on experience in hospitals, research labs & diagnostic centers.
- ☞ Research-based learning under expert faculty guidance.
- ☞ Exposure to industries, diagnostic labs & research facilities.
- ☞ Certifications in Water Analysis & Food Analysis, enhancing practical knowledge and employability.
- ☞ Practical training for careers in medical laboratory technology.
- ☞ Workshops to boost technical, analytical & communication skills.
- ☞ Mentorship to inspire and launch biotech & healthcare startups.
- ☞ Visits to national research institutes, biotech parks & industries.
- ☞ Health camps, awareness drives & science outreach programmes.
- ☞ Leadership workshops, self-defense training & expert sessions.
- ☞ Yoga, craft activities, and job-oriented training to develop well-rounded individuals.

Career Opportunities

- ☑ Research Scientist
- ☑ Clinical Biochemist
- ☑ Pharmaceutical Industry
- ☑ Food & Beverage Industry
- ☑ Bio Tech Companies
- ☑ Forensic Science
- ☑ Medical Coding and Medical Writing
- ☑ Lab Technician

Programmes Offered

B.Sc. Bio Chemistry
M.Sc. Biochemistry
Ph.D. Bio chemistry

PG & Research Department of Commerce

Key Features

- ☞ All the staff members of the Department are well qualified with Ph.D. / NET / SLET.
- ☞ Availability of Separate Smart Classroom.
- ☞ Guest Lectures are periodically organized on Contemporary issues.
- ☞ Certified Tally Course is offered.
- ☞ Coaching classes are offered for Professional Courses like Chartered accountant (CA), Company Secretary (CS) and Cost Management Accountant (CMA).
- ☞ Ph.D programme is offered through well-experienced Research Supervisors to foster the research scholars in advanced research.
- ☞ Industrial visits are organized regularly to provide practical experience and exposure.
- ☞ Educational excursions are arranged every year for the Final Year students of UG and PG.
- ☞ STUDENTS' EYE A National Level Seminar organized every year exclusively for the students to inculcate their abilities in research.
- ☞ COMMET, an Inter Collegiate Competition and Intra Departmental Exhibition conducted every year.

Career Opportunities

- ☑ Accountant
- ☑ Chartered Accountant
- ☑ Banking Jobs
- ☑ Company Secretary
- ☑ Finance Executive
- ☑ Insurance
- ☑ Tax Consultant

Programmes Offered

B.Com.
M.Com.
Ph.D. Commerce

Department of Commerce (Bank Management)

Key Features

- ☞ Student Supportive and Motivating Management.
- ☞ Highly Qualified and Experienced Faculty Members.
- ☞ Student-Centric Approach with Comprehensive Mentoring and Counseling.
- ☞ Robust Academic Monitoring and Evaluation System.
- ☞ Strong Focus on the Holistic Development of Students.
- ☞ Excellent Infrastructure and Learning Resources.
- ☞ Encouragement for Self-Learning through SWAYAM, MOOC Courses, etc.
- ☞ Training for Industry Certifications (NSE, NISM).
- ☞ Value-Added Courses (VAC) Conducted Every Semester.
- ☞ Industrial Exposure through Field Study, Internship, and Project Work.
- ☞ Skills Enhancement Programmes Conducted Regularly.
- ☞ Opportunities for Students to participate in Inter-collegiate competitions to enhance Communication and Interpersonal Skills.
- ☞ Monitoring of Students to Improve Language and Comprehension Skills.
- ☞ Educational Tours are organized.

Career Opportunities

- ☑ Banking Sector
- ☑ Accounts Executive
- ☑ Business Development Executive
- ☑ Financial Analyst
- ☑ Loan Officer
- ☑ Insurance sector

Programme Offered

B.Com. (Bank Management)

Department of Business Administration

Key Features

- ☞ Highly qualified and experienced faculty.
- ☞ A multidisciplinary curriculum covering Business Administration, Computer Applications, Commerce, Banking, and Entrepreneurship.
- ☞ Strong support for student participation in professional development programs (CII, MMA, etc.).
- ☞ Encouragement for self-learning through MOOC courses.
- ☞ Training for industry certifications (NSE, NISM).
- ☞ Industrial exposure through field study, internship and final-year project.
- ☞ Opportunities for students to participate in inter-college competitions to enhance communication and interpersonal skills.
- ☞ Access to business dailies (Business Standard, Economic Times, The Hindu) to improve language and comprehension skills.
- ☞ Mentorship from stock sub-brokers and traders (MOFSL, Cuddalore & Ideal Associates, Namakkal, Growell Brokerage, Puducherry) for investment and trading skills.
- ☞ Mentoring for Virtual Digital Asset (VDA) Management (Specific guidance in Cryptocurrency).

Career Opportunities

- ☑ Human Resource executive
- ☑ Marketing Executive
- ☑ Operation Executive
- ☑ Business Development
- ☑ Digital Marketing
- ☑ Entrepreneurship

Programmes Offered

**BBA
MBA Twinning Programme**

Department of History

Key Features

- ☞ Qualified and Experienced Faculty
- ☞ Electives in areas such as Archaeological, Museum Studies and Digital Library
- ☞ Research Opportunities
- ☞ Faculty-mentored research projects
- ☞ Internships at museums, archives, and historical societies
- ☞ Value Added Courses for Competitive Exam
- ☞ Guest lectures, National level seminars and Workshops are conducted.
- ☞ The History Club
- ☞ Scholarships and Awards

Career Opportunities

- ☑ Academia
- ☑ Law
- ☑ Journalism
- ☑ Government sector, Revenue, Uniform Service etc.,

Programmes Offered

**B.A. History
Ph.D. History**

Department of English

Key Features

- ☞ Experienced Faculty
