The College

St. Joseph's College is a legacy of the 19th century, handed down to the present management by the venerable fathers of the society of the Foreign Mission of Paris. Its nucleus was the St. Joseph's High School which was started in 1868 A.D. This School was elevated into a college in 1884 A.D. through the efforts of Father Tarbes and was affiliated to the University of Madras. The District-Gazetteer, South Arcot District, has recorded that the prime educational institution and the only college in the District in the 19th century was St. Joseph's College. It once again became a high school in 1909.

The college was reborn as St. Joseph's College of Arts & Science in 1991. The college was inaugurated on 11th October 1991 at a stately function presided over by His Excellency Bishma Narain Singh, the then Governor of Tamil Nadu.

The college obtained Permanent Affiliation on 07.03.2008 and the Autonomous Status on 17.06.2008. The college has been re-accredited with 'A' Grade (3 rd Cycle) by NAAC. The college has been conferred the Minority Status by NCMEI, New Delhi and has been recognised under sections of 2(f) and 12(B) of UGC Act 1956.

The Management

The College is run by the Archdiocese of Pondicherry and Cuddalore under the guidance of the Archbishop Most Rev. Dr. Francis Kalist. The Archdiocese has been rendering its services in the field of education, health and social welfare for more than two centuries.

St. Joseph's College of Arts & Science (Autonomous) has its own Governing Body with the Archbishop as its Chairman. Under the leadership of the present Secretary of the College, Rev. Fr. Dr. M. Swaminathan and the team work of Principal, Dr. M. Arumai selvam, Vice Principal, Dr. J. Jon Arockiaraj, Controller of Examinations, Rev. Fr. Dr. S. Xavier, Dean of Studies, Rev. Fr. Dr. A. Alex, Shift II Incharge, Dr. P. James Mary, Yoga and Wellness Programme Incharge, Rev. Fr. Dr. S. Charles Edison and Hostel Director Rev. Fr. A. Amalor Pusparaj, our institution is marching towards excellence.

Quality Policy

To provide quality education through curriculum at par with that of reputed institutions of higher education, innovative teaching, competent and qualified teachers, supportive systems and by processes of on-going evaluation and continuous refinement leading to holistic development of the student community.

Vision

- To work hard to Prepare
- ★ Men and Women academically and technically equipped to steer the Nation along the path of progress and peace.
 - ★ Men and Women who will free the Nation from the clutches of Sectarianism and Parochialism.

Mission

- To Work Hard to Provide
- ★ Wholesome and Integral Education that will help the students to find their footings in life.
 - ★ Ethical and social values that will help the students to confidently face the challenges of life.
 - ★ Human and Community values that will help the students in building up the Solidarity of all Indians.

Lab Facilities

INFRASTRUCTURE

Library

The college is equipped with a fully computerized library. It houses over thirty-five thousand books and subscribes to national and international journals / periodicals and popular news papers. Students are provided the facility of computers with internet connectivity and access to e-journals. Besides the college library, students are also offered the facility of Departmental Libraries.

Infrastructure

The college is one among the best in the university as far as the laboratory infrastructure is concerned and as a 'science' college this is of paramount importance. We have state-of-the-art equipments that are used for regular teaching as well as for projects by students and teachers. They are sufficient in number to ensure that each student gets hands-on learning experience in the laboratories.

Research

To promote research in the college, a Research Development Cell has been established. Research contributes content to teaching. Any quality teaching draws on quality research. Keeping this in mind, St. Joseph's engages its faculty in sound research by providing infrastructure and other supporting services.

Curriculum

As an autonomous college, St. Joseph's College follows the semester pattern with Choice Based Credit System (CBCS) requiring 3 years of study for an under graduate degree programme and 2 years of study for a post graduate programme in Arts and Science. The medium of instruction and examination will be English. Broad, balanced and relevant curriculum provides opportunities to acquire the necessary skills and qualifications to succeed in the global marketplace. Strong emphasis is given on developing the core skills of each discipline alongside a blend of interdisciplinary, vocational, creative and technical abilities.

Teaching

We believe that teaching and learning experiences should be stimulating, enjoyable and innovative. A wide variety of teaching strategies are used to personalise learning to ensure students fully access the curriculum. These encourage creative and independent approaches to learning, allowing our students to excel.

Our range of extended learning opportunities such as after college study support and mentoring system, plus excellent ICT facilities, provide students with the resources to enhance their learning and meet their expectations.

We believe that all learners are entitled to suitable and challenging learning experiences regardless of their abilities and needs.

Mentoring

Mentoring, supported by Heads of the departments, plays a pivotal role in promoting learning, personal development and well-being. They provide an essential point of contact for students and parents during their course of time here. Students are constantly monitored and a range of welfare and academic interventions are employed to ensure students achieve and feel safe and happy in our community.

Integral Development

We expect high standards of behaviour and a sense of responsibility and self-discipline in our students. We instil the key values of Pride and Respect, which is a constant theme of assemblies and our Spiritual, Moral, Social and Cultural development programme.

Work Hard - Taste Success

At St. Joseph's, we expect students to work hard and be committed to learning. We demand high standards of behaviour that allow effective teaching and learning to take place.

Our aim is for everyone to have the opportunity to experience success. We have high expectations of the standards that students achieve and the quality of work they produce.

Discipline

St. Joseph's has a reputation of being one of the best disciplined colleges in Tamil Nadu. While being an eminently 'learning place' to study in, our students observe the code of good conduct quite happily and readily. The Disciplinary Committee is empowered to deal with cases of indiscipline. The Secretary (or) Principal of the College is the ultimate authority to take action against any breach of discipline.
