

**PG and Research Department of Microbiology
St. Joseph's College of Arts and Science (Autonomous), Cuddalore**

Funded Project

Curriculum Development for Capacity Building in Disease Modelling

HADM Small Development grant project, award provided under the US NIH Fogarty eCapacity Grant, R25 TW009717, for empowering Indian Health Researchers with Computational Modelling Tools, a Collaborative Education Project being conducted by the University of Pittsburgh, Indian Institute of Public Health, Hyderabad and SHARE INDIA

Principal Investigator

Dr. S. Joseph Christian Daniel

Head, PG and Research Department of Microbiology,
St. Joseph's College of Arts and Science (Autonomous), Cuddalore, India

Budget

US\$5000

Duration

One year, 1st September 2016 to 1st June 2017

Consultants

Dr. I. Gautam Menon

Professor H+, The Institute of Mathematical Sciences, Chennai, India

Dr. S. Subramanian

Scientist E, Vector Control Research Centre (ICMR), Pondicherry, India
