Panel 4: About the College

About the College

St.Joseph's College is a legacy of the 19ᵗʰ century handed down to Pondicherry Diocese by the venerable MEP fathers. Its nucleus St. Joseph's High School was started 148 years ago in 1868 A.D. This school was elevated to a college in 1884 A.D. The District Gazetteer, South Arcot district has recorded St.Joseph's College as prime educational institution and the only College in the District in 19th century. It once again reverted as "ST.JOSEPH'S COLLEGE OF ARTS AND SCIENCE" in 1991. The College was affiliated to the University of Madras from 1991 to 2002 and later the college was affiliated to Thiruvalluvar University, Vellore. The College obtained permanent affiliation and Autonomous status in 2008. The College has been Re-Accredited by NAAC with "A" Grade in 2011. The College has been included under section 2(f) & 12(B) of UGC Act 1956 and also obtained minority status in 2012.The College was Re-Accredited by NAAC with "A" Grade in 3ʳᵈ Cycle on 2017. The College offers 12 Under Graduate, 12 Post Graduate, 9 M.Phil. and 5 Ph.D. programmes. Cuddalore is situated in the East Coast of Tamil Nadu, near Pondicherry and is at a distance of 180 Kms from Chennai.

About the Department

The Department of Computer Science was inaugurated on the 22 of August 1991. During its inception, the Department had B.Sc Computer Science with the strength of 25 students supported by 3 members of the Teaching Staff. From then on, the Computer Science Department found a tremendous growth with the growing demand for Computer Science professionals. Realizing the growing strength of students, a new building "Ruby Jubilee block" exclusively for the Department of Computer Science was inaugurated on the 31ˢᵗ August 2002 by His Eminence Simon Cardinal Lourdusamy. With dedicated and strenuous efforts of the Management and Staff members the Department showered its branches in various PG & Research Courses like M.Sc (Computer Science), M.Sc (Information Technology) & M.Phil (Computer Science). Now by its Silver Jubilee year it has the student strength of 800 in our Department with 21 Staff members. The Department provide well equipped lab with all facilities for Research, PG and UG Students. Our Department strives hard to provide Integral Education to the students hail from rural background of Districts of Cuddalore, Villupuram and the Union Territory Puducherry. The Vision of Our Department is to develop quality professionals by providing concept-Oriented Subject knowledge supplemented with practical skills. The Mission of Our Department is Creating, Applying and Imparting knowledge in Computer Science through comprehensive curricular Programmes and Research.

Panel 5: About the Workshop

About the Workshop

The research illusion is a platform to understand the essentials of research. It explains the insights of research such as identification of research areas and problems, conduction of research experiments, implications and its outcome. It helps the research scholars to understand better about the fundamentals for doing a research.It also provide a platform for professionals who want to pursue a career in Cloud computing or develop Cloud applications with Amazon Web Service (AWS). You will become an asset to any organization, helping leverage best practices around advanced cloud based solutions and migrate existing workloads to the cloud.

Hands-on Sessions

The AWS Hands-On sessions will provide attendees with the opportunity to gain hands-on experience and learn how to work with AWS services through step-by-step instructions on the AWS Console in a live practical environment
