2.Extension Activity : (Cleaning the public places)

Title of the Extension Activity : Cleaning the public places

Date : 23.07.2019

Venue : Anna stadium, Cuddalore

The staff and students of Department of Chemistry, Department of Commerce, and Department of English took part in the cleaning drive on 23.07.2019. About 27 students from Department chemistry were involved in the cleaning drive and they were supervised by Ms.B.Christina, Assistant Professor of Chemistry.

The Cleaning drive was conducted to promote the values of cleanliness, discipline and respect for the environment in the students and educate and sensitize them about the importance of cleanliness for a healthy, socially responsible, economically dynamic and progressive nation.

Before the drive began students were instructed by Rev.Fr.A.Alex, Head, Department of B.COM(BM)and BBA (CA) & Director of VSL programme about the importance of sanitation. Thereafter, Mr.J.DuraiRaj, Head, Department of social work & Chief coordinator of VSL programme delivered the speech, telling us the importance of sanitation. He lucidly described about the common diseases, its outbreak and the preventive measures. Rev.Fr.A.Alex started the Programme by cleaning the corners of the stadium. Carry bags, plastics items etc....were collected separately. Students created the stadium and the surrounding areas spick and span. Rev.Fr.A.Alex ended the cleaning drive by his valedictory speech.
