

EXTENSION ACTIVITY

The PG and Research Department of English has been conducting extension activities to provide basic language learning and to develop communication skill among the rural students. The Department realises that the purpose of education is not just preparing the students to learn subject but to make them good citizens and above all to be good human beings knowing the values of caring and sharing with the underprivileged. It gives an opportunity for the students to understand the community, identify its needs and problems as well and find the solutions in which they can prove their social responsibility.

The students of the Department of English actively participate in the social services. Students can be shaped up into responsible citizens and to be aware of social issues through various programmes like environmental awareness, personal health and hygiene, tree plantation, motivation skills, basic learning and COVID - 19 awareness programme etc., .All these activities have positive impact on the students and develop student's community relationship, leadership qualities and self-confidence.
